PROGRAM	Jack Anderson	STATION	WEAM Radio Mutual Network
DATE	October 17, 1983	9:00 AM	CITY Washington, DC
SUBJECT	Look Inside the CIA		

JACK ANDERSON: Now, here is a look inside the Central Intelligence Agency.

After some reforms during the Carter Administration, the CIA is now increasing its cloak and dagger operations.

Under William Casey, most of the 800 dirty tricksters that Carter forced into retirement have been replaced.
